*9 of 9 people found the following review helpful. Turning Night into Day with Universal Principles. By An Avid Reader This book turned my life around. I was able to understand my depression and frustration in a way that would never had made sense to me before I read this book. I highly recommend it for anyone looking for wisdom and truth about who they really are.*

*In Light on Life's Difficulties James Allen tackles the myriad problems facing people from a perspective of mind over matter. His plain-spoken wisdom illuminates subjects from the personal, a sense of proportion, good manners and refinement, to the global, war and peace, diversities of creeds. Light on Life's Difficulties will motivate you to take some responsibility to help make the world a better place. James Allen was a British philosophical writer known for his inspirational books and poetr ...*
